SIR:

In connection with the above-identified patent ap-
plication, and in response to the outstanding office action
dated October 26, 2005, an Amendment was timely filed on

January 3, 2006, however, as a result of a recent conversation with office personnel, it has come to the attention of the undersigned Attorney of Record that the Amendment filed on January 3, 2006, as evidenced by means of the attached copy of the Attorney's date-stamped filing receipt card, has apparently not been entered into the official application file.

I am therefore attaching a true, complete, and accurate copy of the Amendment as filed on January 3, 2006, along with the copy of the date-stamped filing receipt card, and respectfully request that this Amendment be immediately entered into the application file so as to prevent the application from becoming abandoned.

Respectfully Submitted,
